

The Slovak-Austrian Chamber of Commerce in cooperation with the Italian-Slovak Chamber of Commerce, the French-Slovak Chamber of Commerce and Dôchodkova poradňa /the Pension Advisory Service/ would like to invite you to a seminar on pension system issues entitled:

Current pension system in Slovakia

TOPICS:

- general up-to-date data of the contracting countries with which Slovakia has a social security treaty (about 28 countries)
- retirement age in each country, broken down by women, men
- minimum number of years of service for pension entitlement
- average pension amounts in each country
- taxation of pensions in each country
- basic principles for pension entitlement in Slovakia
- what the pension calculation consists of (explanation of the 3 basic parameters)
- period of pension insurance, average personal salary point, current pension value
- valorisation, II. and III. Pillar
- retirement age, minimum pension insurance period, old-age pension
- early retirement pension, eligibility conditions

SPEAKER

Igor Horváth

DÔCHODKOVÁ PORADŇA

MODERATED BY

Mirco Paolo Ribis

TATRABANKA

The purpose of the event is to orient the participants in the basic pension principles and entitlements currently in force in Slovakia. Application of social security treaties to the claims of employees from abroad with whom the Slovak Republic has bilateral and multilateral treaties.

The seminar is intended for members of chambers of commerce who are concerned with the issue of pension provision within the EU and for foreign employees who are interested in the principles of calculation and crediting of years of service in Slovakia and the procedure for claiming pension entitlements, labour law regulation and its implications for practice.
