International law firm CMS Slovakia in cooperation with the Slovak-Austrian Chamber of Commerce invites you to a webinar focused on:

## *“Restructuring and mass redundancies”*

Our CMS Employment Snack Webinar Series provides you with all you need to know about restructuring opportunities and the requisite legal framework when tackling this often daunting task. Find out more about:

- When can the concept of “mass redundancy” be activated by employers in Slovakia?
- What prior approvals from various authorities must be obtained? What are other obligations related to the process?
- Involvement of trade unions in collective redundancies – what difference does it make?
- What is the process, timeline and costs, and what are the risks and sanctions for noncompliance with mandatory obligations?
